We are strongly committed to this policy and believe in the concept and spirit of the law.

4imprint is further committed to ensuring that employment decisions are based on valid job requirements. In addition, all employment actions, such as recruiting, hiring, training, promotion, compensation, benefits, transfers, discipline, layoffs, and termination are administered fairly to all persons on an equal opportunity basis, without discrimination on the basis of protected categories named above.

4imprint, Inc. will make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in an undue hardship. 4imprint, Inc. will not request or require a genetic test of any employee or applicant, nor will it collect or use any protected genetic information in connection with any employment-related decisions.

4imprint will not tolerate employees and applicants to be subjected to harassment, intimidation, threats, coercion or retaliation because they engaged or may engage in filing a complaint or assisted in a review, investigation or hearing related to any federal, state or local law requiring equal employment opportunity; or because they opposed any act deemed unlawful.

The Chief Executive Officer supports this affirmative action program and has appointed Lia Cummings, Human Resources Manager as 4imprint's EEO Coordinator. The EEO Coordinator's responsibilities include implementing an internal audit and reporting system to monitor and measure the effectiveness of 4imprint's equal employment opportunity efforts and report to executive management on this and any needs for remedial action.

4imprint maintains affirmative action plans for minorities, women, individuals with disabilities and protected veterans. Any questions regarding these plans or the company's equal opportunity policy should be directed to the EEO Coordinator who is responsible for the implementation of the plan. All employees are responsible for supporting the concept of equal employment opportunity and affirmative action, and assisting and cooperating in meeting our plan goals.

If you wish to view the plans, contact Lia Cummings during normal business hours and arrangements will be made for the areas of the plan available for inspection under the law.
